Spring and Summer Medicine.

Dr. Townsend's Sarsaparilla. THE MOST EXTRAORDINARY MEDICINE IN the world. - This extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted sope-rior to any sold. It cures diseases without vomiting, purging, sickening, or debilitating the patient.

The great beauty and superiority of this Sersaparilla over all other remedies is, while it eradicates disease, it invigorates the body.

IT HAS PERFORMED MORE THAN 15,000 CURES THIS YEAR.

1,000 CURES of Pharmacian.

1,000 cures of Rheumatism. 1,000 cures of Dyspepsia;
2.500 cures of general debility, and want of nervous

nergy;
3,000 Female complaints and over;
7,000 cures of diseases of the blood, viz;
Ulcers, Scrofula, Erysipelas, Salt Rheum, Pim Ulcers, Scrotula, Erysipelas, Salt Rheum, Filipples on the fuce, &c. &c., together with numerous cases of consumption, Liver Complaint, Spinal Affections, &c. This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known.
UNITED STATES OFFICER.—Cap'. G. W. McLean, men ber of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate

Rahway, January 25, 1847. A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles I was very much relieved, and attributed it entirely to the said Sarsaparilla I have continued ta-king it, and find that I improve every day. I believe it saved my life, and would not be without it under any onsideration. — G. W. McLEAN.

The Epiror — John Jackson, Esq., Editor of the Rabway Republican, published the above certificate, and remarked in an editorial as follows:

The success of Dr. Townsend's preparation of Sarsaparilla appears to be of the most extraordinary charac-

ter. We publish to-day two certificates in its behalf one from Capt. McLean, of this town, and one from Rev Mr. White, of Staten Island, a gentlemsn well known in Rahway.—Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an eually strong confidence in its efficacy. Intelligent men ike these would no praise so s rongly what they did Dr. Townsend's office this week, and conclusively prove will find it to their interest to call and examine that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in

one house is unprecedented. THREE CHILDREN. Dr. Townsend-Dear Sir: I have the pleasure to in-form you that three of my children have been cured of he Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have aken only four botties; it took them away, for which I feel myself under deep obligation. Yours respectfully, ISAAC W. CRAIN, 106 Wooster street. New York, March 1, 1847.

RHEUMATISM & THE PILES. September 10, 1846.

Dr. Townsend—Dear Sir: My wife has been for seve al years afflicted with rheumatism. She has tried many different remedies to obtain some relief, but all to no purpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. We pro cured some of it from your agent (Mr. Van Buskirk)and gives me pleasure to state that after using it she expe ienced great relief, and was in a very short time per ectly cured. I was also (together with a man in my mploy) hadly troubled with piles, and by using a smal

mantity of your Sarsaparilla, our complaint was com-letely cured. I consider it one of the best of medicines

PETER BROWN, 47 Little-street, Brooklyn. GREAT FEMALE MEDICINE. Dr. Townsend's Sarsaparilla is sovereign and speedy or whites, obstructed or difficult menstruation, incon tinence of urine, or involuntary discharge thereof, and for the general prostration of the system-no matter whether the result of the inherent causes, or produced

by irregularity, illness or accident. Nothing can be more surprising than its invigorating ffects upon the human frame. Persons all weakness nd lassitude before taking it, at once become robust and full of energy under its influence. It immediatel unteracts the nervelessness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have of every description, and he solicits a share of pubbeen reported to us.
